

The Highland Lions Charter was signed September 17, 1976 and our Charter night was October 23, 1976. The Lions Mission Statement" To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services through community involvement and international cooperation is something our club strives to accomplish. The Lions are men and women 18 years of age or older and there are Lions Clubs on every continent on the Earth, with more than 1.4 millions Lions in 186 countries and geographical areas.

If you are interested in serving your community and mankind,
